**Effective February 2023

Artwork Requirements:

SCREEN PRINT - Outline all fonts/text to curves, res. 300dpi or larger, CMYK colour mode. PDF preferred. For optimal print result, we recommend a min. stroke of 1.5mm, text to be no smaller than 18pt. and for artwork to be set up no closer than 30mm to any edge. Spot colours – black files must be presented as 100% black, not a percentage of black. Artwork to be set up and provided at print size. Max. printable area: 410mm x 610mm.

DIGITAL PRINT - RGB colour mode. Res. 300dpi or larger. PDF, PNG, Ai files preferred. Artwork to be set up no closer than 30mm to any edge. Artwork to be set up and provided at print size. Max. printable area: 410mm x 610mm.

Colour Matching:

We will match as close as possible to any Pantone (PMS) C colour. Please note- colour may appear slightly different on a monitor/paper than when printed to fabrics.

Lead Time:

Please allow 2 weeks from client approval- plus delivery. Should you require an urgent turn around, please contact our team and we will accommodate where physically possible.

Where To From Here?

Contact our team via email with artwork, quantity, fabric selection and delivery address and our team will be in contact with any feedback, advice and a personalised quotation. Once artwork has been finalised, an approval form will be raised for your consent prior to print.

Artwork is held with the utmost of confidence and will not be used, shared or reproduced without your consent.
